

## The best exhibitions of summer 2022

What to see in the UK this summer: from a famous Picasso portrait to an exploded garden shed.

By Michael Prodger

After two years of cancellations and postponements in the art world, there is an abundance of exhibitions on offer this summer. Here are some of the highlights on display around the UK – including both a famous Picasso portrait and an exploded garden shed.

### Reframed: The Woman at the Window

*Dulwich Picture Gallery, until 4 September*

This thoughtful show examines a motif that is familiar from Vermeer onwards and brings the pensive female figure lit from within up to date with modern variations.
