## **10. ARTIST: THE ONE TO KNOW IN 2023: SHOLTO BLISSETT**

No sooner had he received his Master of Arts in Painting from the Royal College of Arts in 2020 his work found itself in galleries. “My biggest inspiration is fly fishing,” says the Englishman, born in Salisbury in 1996. “I try to perceive the natural movements of rivers so I can reproduce them in detail in my landscape paintings.” Currently, Blissett is working on solo shows for 2023 with Alexander Berggruen in New York and Peres Projects in Milan.
