

**Art Fairs**

# See the Top 10 Booths at EXPO Chicago

The VIP preview was the hottest ticket in town.

Henri Neuendorf, September 23, 2016

## **9. Peres Projects**

Boldly lit in fluorescent light, Peres Projects is showing a solo presentation of work by Blair Thurman. Bringing a total of 11 works by the American artist, who blurs the distinction between painting and sculpture in his innovative 3-D painted wall pieces, the spotlight was—quite literally—on the Berlin gallery's enchanting booth.
